Weatherize Your Home

As the colder months approach, now is the perfect time to weatherize your home for winter. Taking a few simple steps—like sealing windows and doors, checking heat tape, and insulating pipes—can help protect your home from freezing temperatures and keep energy costs down. A little preparation now ensures a warm, comfortable, and worry-free season ahead!

Fall Clean Up

As fall settles in, it's the perfect time to tidy up your yard and prepare for the cooler months ahead. Please take a moment to rake leaves, remove any debris, and trim overgrown plants to keep your space looking neat and inviting. Your efforts help maintain the beauty of our community and ensure Countryside MHC continues to shine throughout the season!
